SUBJECT: Recommendation letter for Alidor MBAYANDJAMBE

E-mail: alidor.mbayandjambe@unikin.ac.cd & Cellular: +84815186701

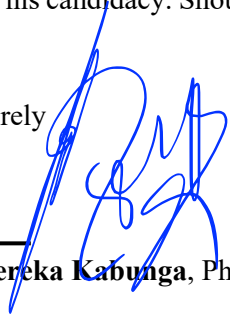

I take the liberty of sending you this letter to warmly recommend Mr. **Alidor MBAYANDJAMBE** for a PhD program of the GDTL program, Seoul National University, Korea.

Mr. Alidor MBAYANDJAMBE holds a bachelor's degree in computer engineering (BAC+5) from the Department of Mathematics, Statistics, and Computer Science at the Faculty of Science and Technology, University of Kinshasa, Democratic Republic of Congo. Due to his skills and ranking, he was recruited as a junior researcher and teacher at the same university, where he conducted practical work with students in our laboratory. He also holds a Master 2 in Intelligent and Multimedia Systems from Vietnam National University in Hanoi, with a double diploma in Digital Content Engineering from La Rochelle University in France. His studies in applied sciences and his research skills have equipped him with all the necessary competencies to be an excellent candidate for the PhD program of the GDTL program.

As his teacher, I have known **Mr. Alidor MBAYANDJAMBE** for eight years. I have had the opportunity to observe his participation and progress. I would describe his overall performance and moral qualities as excellent, with top marks and outstanding results in various areas. **Mr. Alidor MBAYANDJAMBE** is talented and has shown a keen interest in the field of artificial intelligence. His ability to understand complex concepts and apply them innovatively in his projects is remarkable. He has actively contributed to several research projects and has always demonstrated great intellectual curiosity and strong analytical skills.

I am convinced that **Alidor MBAYANDJAMBE** will be an asset to your program, and I highly recommend his candidacy. Should you require any further information, please do not hesitate to contact me.

Yours sincerely

Selain Kasereka Kabunga, Ph.D
